### Welcome at cancertrials.be

Welcome to cancertrials.be, an initiative of the Belgian Society of Medical Oncology v.z.w. (BSMO), joined by the Belgian Hematology Society (BHS).

This website offers both professionals and patients an up-to-date overview of ongoing oncological clinical trials in Belgium.

### Cancertrials.be for professionals

This initiative offers professionals an elaborate searching tool giving you a clear overview of clinical trials that are of specific interest for you. This allows you to select the most appropriate clinical study for your patients. Professionals can also upload new clinical trials to the website which will facilitate patient accrual. Furthermore, studies in the database can be updated.
