QUAILS' GATE

Okanagan Valley

"The philosophy of wine making at Quails' Gate is predicated on quality over quantity. Our vineyards are solely focused on providing the winery team with ripe concentrated fruit that expresses its sense of origin. Through careful consideration of yield, the fruit quality is always maintained. Hand-crafting each of our wines means that we are meticulous about our winemaking process. The wine making team carefully nurtures each wine throughout the harvest and fermentation. Nothing is left to chance, and the results speak for themselves: consistency, concentration and quality."
